Hey friends!

McDowell Art Happenings!

8.21.2020

People on the Move for Old Fort have an awesome mural project in the works that highlights the history and achievements of the Black community in Old Fort. From the planning team: "Our vision is for this mural to unify the community, build pride, and lift up calls for racial justice and unity. Our

hope is for this mural to spark discussions and help heal the community." The mural artist is Don Rimx and the mural will celebrate the courage of Albert Joyner and George Sandlin, civil rights leaders in Old Fort, NC. Read more about and learn how to support [this project here](#).

You might recognize Don Rimx's work on an Old Fort Barn Mural at Beacon Village Farm, installed last year (photo below).

Fresh Art Packets are up at MACA!
