## Application Form FY 2021-2022

Grant expenses must be cash, but matching funds may include in-kind costs. An in-kind contribution is a non-monetary contribution. Goods or services offered free or at less than the usual charge result in an in-kind contribution. Similarly, when a person or entity pays for services on the individual's behalf, the payment is an in-kind contribution.

### Income:

Provide any project income including personal funds, additional grant funds, or other sources that contribute towards your match amount. List different sources separately. The **Total Income** amount should equal the **Total Expenses** amount listed above. Identify in-kind support, as appropriate. Budget Sheet can be downloaded at: ([nc-asg-applicant-budget-sheet.xlsx](#))

*\*This is not a matching grant, so **the matching amount / supplemental funds is not required.** You may apply for the full amount of your project, provided it is within funding range for the grant. If additional funds will be necessary to complete the project, indicate the amount and anticipated source on the income table.*

*\*An itemized budget, itemized store receipts, and copies of cancelled checks or credit card receipts are mandatory when submitting your Final Report, so be sure to keep all payment records.*
